

Why SOMP matters – Voices of the Community

Mining is a global sector, and as we prepare future professionals and innovate for the field, this context is imperative.

President Elect 2025-2026

Emily Sarver

Assoc. Professor at Virginia Tech, USA
Coordinator Mining and Minerals Program
Sustainability Committee
President Elect 2025–2026

“What does SOMP mean to you?”

SOMP is a fantastic network of people, whom I'm happy to call both **colleagues and friends.**

Emily Sarver

Assoc. Professor at Virginia Tech, USA
Coordinator Mining and Minerals Program
Sustainability Committee
President Elect 2025–2026

“Why is international collaboration crucial for the mining industry?”

Mining is a global sector, and as we prepare future professionals and innovate for the field, this context is imperative. SOMP is keenly focused on **facilitating collaborations** between faculty from all over the world.

Coordinator Mining and Minerals Program
Sustainability Committee
President Elect 2025–2026

Which topics or discussions are you most excited about?

I am always inspired by seeing how my colleagues are working their students, industry partners and home institutions. I look forward to **sharing best practices and bringing new ideas home with me.**
